Specific areas of expertise are: trafficking in women and children, child labour, online child abuse and exploitation, child marriage, violence against women, feminization of poverty, women migrant workers, political empowerment, women and child rights etc., both in the field of research and project implementation.

**CWCS's Vision** is inclusion of women and children in policies agenda to ensure equality in socio-economic, legal and political spheres leading to distributive justice.

**CWCS's Mission** is to develop pro-women and child-friendly policy and strategies in Bangladesh and act as an advocacy group to lobby with the policy planners and decision-makers for its implementation in a meaningful way.

## CWCS's Efforts to Promote Child Rights

The Centre for Women and Children Studies (CWCS) is one of the consortium partners of the HEROES project. HEROES is a research oriented project which is funded by the European Commission (EC) Brussels and managed by Universidad Complutense de Madrid (UCM), Spain. It is a 3 years project starting from 1 December 2021 which is being implemented by 24 consortium partners from Europe, Latin America and Bangladesh.

It is a multi-disciplinary and international project with a victim-centered approach, while enhancing the coordinated response of Law Enforcing Agencies (LEAs) and other stakeholders regarding prevention, investigation and victim assistance of Trafficking of Human Beings (THB) and Child Sexual Abuse and Exploitation (CSA/CSE) crimes.

CWCS is entrusted with activities related to Child rights promotion and protection: awareness-raising, education and information. In this context, Stakeholder Meetings to Promote Child Rights of Sexually Abused, Exploited and Trafficked Children will be organized to engage civil society, international organizations, NGOs, teachers, parents, youth groups, social workers, local leaders, government officials, lawyers, police officials and media groups.

CWCS had launched an Online **Red Heart Campaign to Promote Child Rights** as the social media campaign on 30 July 2022.

**Campaign's mission** is committed to promote child rights and protect children from sexual abuse, exploitation and trafficking both offline and online.

**Campaign's vision** is to have a world free sexual abuse, exploitation and trafficking where children can grow up happy, healthy and safe.

We have developed the hashtag #SaveFACE4Children to maximize the visibility of the **Red Heart Campaign to Promote Child Rights.**
